## 2021 August Wildfires

**Report Date:**

**8/28/2021**

**Report Time:**

**0730**

## Weather Update (National Weather Service)

### Impacts

- Locally breezy afternoon winds and elevated fire weather concerns are possible across the state through the next few days, especially in the mountains and foothills.
  - Gusty north winds across portions of northern California through [late Saturday morning](#) will produce critical fire weather conditions, primarily in the Sacramento Valley [and surrounding foothills](#).
- Hot temperatures will continue through the weekend, with moderate to locally high heat impacts expected across interior valleys [statewide](#).
- No precipitation is expected across the state through at least Saturday.
- Wildfire smoke will remain across portions of northern and central California, bringing reduced visibility and air quality at times.

### Watches/Warnings/Advisories

- Updates to Watches, Warnings and Advisories can be found at <https://www.wrh.noaa.gov/hazardSummary/?state=ca>.
- Northern California:
  - Red Flag Warning** Friday morning through midday Saturday for the Sacramento Valley and surrounding foothills.
  - Fire Weather Watch** [Monday afternoon through Tuesday evening for the Tahoe Basin and for portions of the east Sierra and northeast California](#).
  - 
  - Heat Advisory**
    - Saturday morning through Saturday evening for the interior valleys of Mendocino county.
    - Saturday morning through Sunday evening for Lake County.
    - Saturday morning through Sunday evening for the San Joaquin Valley and surrounding foothills.
  - Excessive Heat Warning** [Saturday morning through Monday evening for the Indian Wells Valley and the Kern County desert](#).
- Southern California:
  - Excessive Heat Warning**
    - Through Sunday evening for the Coachella Valley, the San Geronio Pass near Banning, the San Diego County deserts, much of eastern Riverside County, and all of Imperial County.
    - Through Saturday evening for the Cadiz Basin, the Morongo Basin, and the southeastern portions of San Bernardino County, including the Upper Colorado River Valley.
    - Saturday morning through Sunday evening for the Apple, Lucerne, and Antelope Valleys.
    - [Sunday morning through Sunday evening for the Mojave Desert, including the Mojave National Preserve and Death Valley National Park](#)

### 2021 August Wildfires

**Report Date:****8/28/2021****Report Time:****0730**

#### Southern California

| <u>Coast (Sat-Sat Night)</u>  | <u>Inland (Sat-Sat Night)</u>  |
|---|--|
| <b>Temps: Lows:</b> 55-70°F; <b>Highs:</b> 80-102°F   | <b>Temps: Lows:</b> 65-85°F; <b>Highs:</b> 95-115°F, with 80s in the higher mountains.   |
| <b>Humidity: Night:</b> 45-80%; <b>Day:</b> 15-45%  | <b>Humidity: Night:</b> 15-45%; <b>Day:</b> 5-20%  |
| <b>Winds:</b> West-southwest 5-15 mph during the day, then becoming generally light and variable, 10 mph or less overnight. | <b>Winds:</b> West-southwest 5-15 mph. In some mountain locations and the Antelope Valley, west-southwest winds 10-20 mph with gusts 20-30 mph are possible. |
| <b>Precipitation:</b> Dry   | <b>Precipitation:</b> Dry  |

#### Outlook for Sunday through Thursday:

After hot temperatures statewide Sunday, a cooling trend is expected for the first half of the work week, though some moderate heat impacts could linger across the southern half of the state Monday. Dry conditions and increasing southwesterly winds could contribute to elevated to critical fire weather concerns early-to-mid week, especially in the mountains and foothills.

Additional moisture could return to southeastern California starting Sunday or Monday, with increased shower and thunderstorm activity possible in Southern Region through much of the upcoming work week. This includes the possibility of **incoming** tropical moisture associated with Tropical Storm Nora; at the moment, it looks like the best moisture from Nora will push into primarily Arizona, but uncertainty remains about the development Nora through the middle of next week.

### CA-ESF 5: Cal OES Advance Planning Unit

- Held coordination meeting with El Dorado County and South Lake Tahoe stakeholders for Caldor Fire evacuation triggers and sheltering contingencies. Awaiting an update from our Cal OES representative at the El Dorado County EOC.
- APU exited a warm status following August 25, 2021, coordination call – next meeting planned for Monday, August 30, 1300 hours.
- Key Evacuation Trigger Points – Trigger Point – A' was activated on August 25, 2021, Firefighting efforts continue in and around the area west of Twin Bridges to keep the fire from reaching Echo Summit.

### CA-ESF 6: Care & Shelter – Department of Social Services (CDSS)

#### Feeding

- Red Cross coordinating feeding at all open shelters.
- CDSS Disaster Services Branch (DSB) will be confirming feeding partners with ARC.

#### Shelter Information

- El Dorado County (Caldor Fire):
  - ESF-6 is coordinating with the county to identify independent shelters throughout the county.
  - Evacuation Orders have been extended to include: From Twin Bridges east to Echo Summit, From Highway 50 South to Amador/Alpine County Line, From Highway 50 North to Flag Pole Peak.
  - Evacuation Orders remain in places for the following areas:
    - All of Kyburz, and Silver Fork Rd. east to Twin Bridges (Est. Pop, 1,500).
- Amador County (Caldor Fire):
  - NSTR

### Red Cross

- Thursday night, the Red Cross and our partners cared for more than 520 Californians seeking refuge from wildfires in nearly 30 emergency shelters and campsites. Since June, we've provided more than 11,300 overnight stays for people in need.
- Many evacuees are choosing to stay in RVs or tents. Anyone who has been affected by the fires is welcome to stop by a shelter to get a hot meal, take a shower and access other support.
- Since the fires began, over 600 Red Cross disaster workers have supported relief efforts in person or virtually.
- About 300 disaster responders are still active across the state supporting the current relief operations.
- With the help of partners, the Red Cross has provided tens of thousands of meals and snacks and distributed over 2,200 relief items including comfort kits, fire kits, and other supplies to help people in need.
- Trained Red Cross volunteers are helping evacuees cope as they await news about whether they will have a home to return to. Volunteers are also replacing prescription medications, eyeglasses or critical medical equipment, like canes and wheelchairs, that were left behind in the rush to get to safety.
- Volunteers have already made more than 7,900 contacts providing emotional support, health services and spiritual care for people who've been evacuated.
- The Red Cross has provided financial assistance to more than 1,700 people who have experienced loss due to recent California Wildfires. Financial assistance allows people to make

  - o Caldor Fire - Protection Request from Verizon for two Sites
- **9-1-1 Major Outages for the past 24 hours:**

Report Date:

8/28/2021

Report Time:

0730

- o Wireless: 11
- o Wireline: 0
- o VoIP: 0

**CA-ESF 12: Utilities****California Utilities Emergency Association (CUEA)**

- PG&E Outages:
  - o Plumas County – 1,200
  - o El Dorado County – 5,800

**California Energy Commission**

- **CA Fuel Status:**
  - o Chevron distribution terminal in West Sacramento reported a contaminated diesel tank. They are working to return the tank to service.
  - o Chevron understands the importance of prioritizing diesel for emergency response and wants us (working in coordination with our partners) to let them know if there are any specific fuel vendors that are unable to fill their emergency fuel deliveries due to the contaminated diesel fuel tank. We are not aware of any requests or supply constraints at this time.
- **Natural Gas:**
  - o Concerning the El Paso Natural Gas (EPNG) pipeline Force Majeure and its effect on California, the CEC is monitoring the situation closely. EPNG's available delivery capacity is still higher than what the Ehrenburg receipt point can take away from the junction, so there is no impact on gas delivery volumes to California currently. Additionally, the amount of scheduled gas that will ultimately be consumed in California is still far under the total available capacity. Barring another unforeseen and/or widespread weather event like the February 2021 polar vortex, this current pipeline outage on Line 2000 in Arizona will not affect California gas supply.
    - Staff is closely monitoring conditions in Southern California and the impact of the Coolidge rupture on EPNG's southern mainline. That and other conditions on EPNG are leading to slightly lower deliveries at Ehrenberg than shippers are requesting. We believe the curtailment watch issued by SoCalGas is aimed at alerting its Southern System shippers to pay close attention to their nominations and actual usage given higher temperatures expected over the weekend. Demand overall remains in the 2.5 Bcf range.

- Adventist Health Sonora D/P [SNF/GACH](#) (Unit 6) (179 S Fairview): [is operational and repopulated.](#)
- Adventist Health Sonora GACH ([1000 Greenley Road](#)) [is operational.](#)
- Avalon Care Center Sonora SNF (19929 Greenley) [is operational.](#)

#### **EMSA**

- EMSA continues to provide Agency representatives on the ground in Lassen, Shasta, and El Dorado Counties to support local medical needs and patient transports.
- EMSA continues to coordinate ambulance resources for CAL FIRE to support the fire line:
  - Seven single ambulance units supporting CAL FIRE operations / Dixie Fire.
  - Five single ambulances supporting CAL FIRE operations / Caldor Fire.
  - One single ambulance supporting CAL FIRE operations / Monument Fire.
- EMSA is providing CAL-MAT to provide medical care and COVID-19 testing at several CAL FIRE Base Camps, including:
  - Dixie Fire Base Camp and Shelter in Susanville.
  - Monument Fire Base Camp in Shasta.
  - Caldor Fire Base Camp in El Dorado.

#### **CA-ESF 10: Hazardous Materials**

##### ***Air Quality Index Map ([airnow.gov](#)) – California Environmental Protection Agency (Cal EPA) as of [August 28, 2021](#), at 0600 Hours: -***

- California Air Resources Board (CARB) continues to support affected air districts and air quality agencies. A total of 32 portable air monitors are currently deployed (a new monitor was deployed yesterday in the community of Covelo, in Mendocino county) throughout the state to support local air quality agencies and is visiting their equipment storage caches in Redding, Mariposa, Ukiah, Santa Barbara, and Fresno to manage inventories and resupply monitors and supplies.
- Based on yesterday's PM2.5 Air Quality Index (AQI) many communities in the following Northern California counties experienced air quality in the unhealthy to very unhealthy category: Lassen, Plumas, Sierra, Nevada, Placer, El Dorado, Amador, Alpine, Calaveras, Tuolumne, Mono and Siskiyou. Today's forecast predicts [similar](#) air quality in many of these locations with AQI only in the unhealthy for sensitive groups to unhealthy range. Placer, El Dorado, Amador, and Calaveras counties are expected to have AQI in the very unhealthy category.

\* District Agricultural Association

- CDFA received a mission tasking from El Dorado County Animal Services requesting California Veterinary Medical Reserve Corp (CAVMRC) to support the county with veterinary medical services at their animal shelters in response to the Caldor Fire. CDFA coordinated with CAVMRC to deploy three Veterinarians and nine Veterinarian Technician/Assistants from 0700 hours on August 30, 2021, to 1900 hours on September 7, 2021.
- CDFA CARES Program continues to monitor the situation and stands ready to support with animal care resource coordination when needed.

### 2021 August Wildfires

**Report Date:****8/28/2021****Report Time:****0730**

#### Department of Fish & Wildlife

- Continues to provide one uniformed representative at the SOC and the El Dorado County EOC to serve as the Department's law enforcement AREP.

#### CA-ESF 14: Recovery

- Cal OES Individual Assistance sent introductory emails to the declared counties, requesting a meeting to review IA programs and begin coordination for registering survivors. Meetings will be held with Plumas, Lassen and Placer counties on August 27, 2021.
- CalOES and FEMA IA will have Disaster Recovery Center/LAC coordination call with Plumas County on Tuesday August 31, 2021
- FEMA approved a Presidential Disaster Declaration for Plumas and Lassen due to the Dixie Fire, and Placer and Nevada due to the River Fire. Cal OES IA has been in contact with California Department of Social Services, Department of Health Care Services and Employment Development Department to begin coordination for IA programs under the declaration.
- Cal OES Individual Assistance held a LAC coordination call with Trinity County on August 24, 2021, to discuss opening a Local Assistance Center for survivors of the McFarland Fire. Dates and location are to be determined, and a follow-up meeting has scheduled for August 30, 2021.

\*Additional updates are expected as acreage and containment of fires progress.

### Declarations

- Teams meeting this morning with the City of Clearlake to discuss damages associated with the Cache Fire. Recovery will be sending a liaison to the field next week to assess permanent damages.
- On August 26, 2021, Cal OES received Placer County's Public Health Emergency dated August 24, 2021, and letter also dated August 24, 2021, requesting Household Hazardous Waste, Private Property Debris Removal, and cost share waiver for the River Fire.
- Continued discussions with all Operational Areas to determine timing of Public Disaster Assistance. Focus on Plumas County to obtain Cat C-G Permanent work followed by other Counties where fires are still active.
  - One team in the field today assisting Plumas County with Assessments.
  - One additional team requested to assist and complete Assessments Monday, August 30, 2021.

### Phase 1: Household Hazardous Waste (HHW) Operations

### Watershed/Debris Flow Task Force (WSTF)

- Dixie Fire
  - First WSTF all hands call for Dixie slated for next week August 31, 2021.
  - Burned Area Emergency Response team continuing to categorize and validate Values at Risk along the Southwest corner of the fire.
    - BAER team has completed Phase 1 Soil Burn Severity and USGS Post-Fire Debris Flow Hazard Modeling.
      - 15-minute: 31 mm/h, or 0.30 inches in 15 minutes, RI = 0.7 years.

## State Operations Center

### 2021 August Wildfires

**Report Date:**

**8/28/2021**

**Report Time:**

**0730**

- 30-minute: 24 mm/h, or 0.50 inches in 30 minutes, RI = 1.1 years.
- 60-minute: 22 mm/h, or 0.90 inches in 60 minutes, RI = 3.0 years.
- MRT Requested for CCC to deploy one crew to implement emergency protection measures within the town of Greenville. Deployment slated for September 7, 2021.
- MRT requested for DWR to deploy two flood fighting specialists to identify placement of emergency protective measures on cleared DTSC parcels within the town of Greenville. Deployment slated for September 3, 2021.
- MRT Request for DGS to supply materials and equipment.
- Tamarack Fire
  - Continuing to coordinate with Alpine County Public Works, Department of Water Resources, and National Weather Service for the implementation of a rain gauge in Markleeville.
    - Implementation to occur within the next two weeks.
    - Cal OES to meet with NWS and Alpine County to assess best locations for rain gauge as well as build Alpine Counties capacity for the maintenance of the equipment.
  - Continuing coordination with the United States Forest Services to expedite permitting to allow treatment of the Markleeville Water Company's Watershed, the Musser, and Jarvis Creek.
    - Site visit with Markleeville Water Company tentatively scheduled for Monday, August 30, 2021. The purpose of the site visit is to gather geospatial data to map the water companies proposed BMP treatments on the Musser and Jarvis Watershed. At the request of the BAER team, this mapping needs to occur to expedite the permitting and NEPA process which would allow for treatments on private property on USFS land.
- Cache Fire
  - Mission Resource Tasking requested for DWR to deploy one flood fighting specialist to identify placement of emergency protective measures in Clearlake near Cache Creek. Deployment slated for September 01, 2021.
  - 156 vehicles and 137 structures have burned, 57 of which are residences. These burned vehicles and structures are near Cache Creek; therefore, erosion control Best Management Practices must be placed, or a berm must be constructed, to protect the waterway from toxic runoff from the burn area. This area is particularly sensitive as Cache Creek flows directly into Clearlake.
    - MRT requested for CCC to deploy one crew to implement emergency protection measures within the town of Clearlake, tentatively scheduled to be on site September 3, 2021, and September 4, 2021, for placement of BMPs and/or construction of a berm.
  - MRT requested for DGS to provide the materials and equipment for the aforementioned MRTs.
- Caldor Fire
  - Preliminary analysis of potential watershed impacts identified the American River South Fork and Cosumnes River watersheds fall within the burn scar.

**Report Date:**

**8/28/2021**

**Report Time:**

**0730**

- Cosumnes River Watershed - Of particular concern is the potential for toxic runoff from the Grizzly Flat area (est. 300-350 residential structures burned) into the waterway. This watershed flows to the San Joaquin River, then the Sac-San Joaquin Delta.
- American River South Fork Watershed - Post fire runoff and sedimentation have the potential to negatively impact the various areas of beneficial use, including municipal and domestic supply, irrigation, stock watering, recreational use, warm and cold freshwater habitat, spawning, and wildlife habitat.
  - USFS anticipates deployment of a BAER Team to the Caldor Fire burn scar when conditions permit.
- River Fire
  - NSTR
- Miscellaneous
  - Met with data analytics team to discuss development of WSTF dashboard. Estimated completion date of September 3, 2021.

#### **CA-ESF 15: Public Information Office (PIO)**

- Produced multiple videos focusing on evacuations, signing up for alerts, air quality, and staying up to date.
- Pushed public facing messaging focused on evacuation numbers, shelters, signing up for emergency alerts, mutual aid and amplifying state partner and county partners.
- Worked with impacted counties and agencies to coordinate unified messaging.

#### **Office of Legislative and External Affairs (OLEA)**

- On August 27, 2021, Cal OES, Representative Thompson, fire chiefs, and local elected leaders from Sonoma and Napa Cos. will participate in a Wildfire Response and Recovery Roundtable hosted by Senator Padilla to discuss local preparedness efforts and additional measures given current threats for future wildfires.

#### **Office of Access and Functional Needs (OAFN)**

- OAFN is collaborating with Inland Regional Response Operations and Kern County on emergency preparedness strategies for the residence of the Kern Village Assisted Living facility threatened by the French Fire in need of coordinated assistance before, during, and after disasters.
- OAFN conducted the California State Access and Functional Needs Leadership Coordination call between government and community leaders to discuss the State's response to the Wildfires and the COVID-19 pandemic. Briefings and Q&A took place by the California Department of Public Health, Cal FIRE, California Department of Social Services (CDSS) Disaster Services Branch (DSB), and the American Red Cross (ARC). There were 91 participants on this call.
- OAFN secured on-site Spanish language interpreters beginning today through the weekend to assist with the delivery of effective communications for an information booth hosted by the City of South Lake Tahoe.

## State Operations Center

### 2021 August Wildfires

**Report Date:**

**8/28/2021**

**Report Time:**

**0730**

- OAFN discussed with Sacramento County Office of Emergency Services the benefits of leveraging existing disability and older adults service systems, such as In-Home Supportive Services, Meals-on-Wheels, and Paratransit.

#### Office of Private Sector / Non-Governmental Organization (NGO) Coordination

- The Office of Private Sector / NGO Coordination has activated the Business Operations Center in response to the ongoing wildfires. Current efforts include providing situational awareness to the BOC partner network and monitoring unmet needs in order to coordinate in-kind and financial donations management.
  - The BOC has been advised that in response to the ongoing wildfires, the Commissioner of the California Department of Financial Protection and Innovation has issued a proclamation of extraordinary situation authorizing state-chartered banks to close any or all of their offices in El Dorado, Shasta, Siskiyou, Tehama and Trinity counties. These closures will be authorized until the Commissioner determines the extraordinary situation has ended or the officers of the banks determine they should reopen.

#### Office of Tribal Coordination (OTC)

- Shingle Springs Indian Rancheria had to close their business operations near Placerville due to heavy smoke particulates.
- OTC continues to work with tribes to fulfill critical personal protective equipment (PPE) requests. Request received on August 27, 2021, were from California Valley Miwok Tribe, Yurok Tribe, Chapa-De, and Coyote Valley Band of Pomo Indians.
- OTC attended and informed the Recovery Support Team (RST) that Greenville Rancheria's initial damage estimate (IDE) will occur early next week.
- On August 27, 2021, OTC has received a mission request from Pit River Tribe for shelf stable meals.
- On August 27, 2021, OTC fielded several questions regarding best practices on working with tribes.
